ATTRACTION: Archaeological Museum

ALTERNATIVE NAMES:

Not Mentioned

LOCATION:

Nalanda

DISTRICT / REGION:

Nalanda

CATEGORY:

Museum

OVERVIEW:

The Archaeological Museum in Nalanda houses an outstanding collection of artifacts, sculptures, and daily items unearthed during the extensive excavations of the ancient Nalanda University and its surrounding region. It is a vital attraction for anyone interested in the art, history, and daily life of the ancient Buddhist academic center.

DETAILED DESCRIPTION:

The museum's exhibits are vast and well-preserved. It boasts an outstanding collection of undamaged statues of Lord Buddha. The sculptures on display are expertly carved on basalt stones, bronze, and other materials. Additionally, the museum showcases a variety of terracotta items, iron implements, stuccos, inscriptions on stones and copper, ancient coins, potteries, and unique items like stupas on leaf of pipal tree and charred rice samples.

HISTORICAL OR CULTURAL SIGNIFICANCE:

These artifacts provide a profound insight into the material culture, artistic excellence, and daily operations of Nalanda University and its residents spanning centuries.
